GOVERNING POLICIES
I. Fee

i. Definitions
The Freshman Fee (fee), by vote of Arizona Board of Regents (ABOR), will be levied on all Freshman at the University of Arizona at $10 per semester. The monies will be held and monitored by the Office of the Provost.

ii. Purpose
The fee will be allocated to departments within the University with the mission of improving the freshman experience.

iii. Mandatory Allocations
A minimum percentage of the fee will be retained for University Health and Wellness support. This is determined by University Senior Leadership.

A small portion of the fee will be retained by the Office of the Provost for emergency and administrative expenditure. However, the Office of the Provost will submit yearly spending reports to the Freshman Fee Advisory Board (Board). The emergency fund is not to exceed $50,000. All funds in excess will be included in the funds for the Board to allocate or may be allocated by the Provost as specified in the Freshman Fee Reserve Analysis procedure.

II. Role of the Board – Business of the Board

It is the Business of the Board to

• Serve as the deliberating body on the use of the fee – making its recommendations to the Provost based on direct freshman input along with applications received from University Departments.

• Monitor the current usage of the fee; require regular reporting from the recipients and publish these reports along with the Board budget detail on the website.

Exclusion: The Board may not allocate money to departments for programs not applied for.

III. Role of the Provost – Responsibility Clause
The Provost has final authority on the use of the fee, final authority on the actions of the Board, and final responsibility on safeguarding the integrity and transparency of the fee and the Board; therefore, any decision by the Provost, whether in agreement with Board directives or not, is final.

IV. Composition of the Board
The Board will comprise 14 members in two groups

• Voting Members – 9 members
• Advisory Members – 5 members

Of the Voting Members

• 1 RHA President (or appropriate appointee)
• 1 Senior Director of Finance, Office of the Provost (or appropriate person)

In making their recommendations for Board appointments, the appointing organizations should strive for nominations which represent diverse freshman interests.

Once the window for completing applications closes, the Board will deliberate on only the applications submitted by the deadline. No material submitted afterward will be considered.

The Board may, but is not required to, solicit additional information from an applicant, in order to clarify parts of an application.

Specific directions for filling out applications are on the website.

All recipients must submit a mid-year and end-of-year report to the fee website. These reports are due by December 31st and August 31st every year unless the Board or Provost publicize otherwise. If a project is complete prior to Dec 31, the mid-year report will serve as the final report for the project. Furthermore, the Board or the Provost may require extra reports throughout the year. These requests must be honored within 10 business days or, if for regular reporting, on the dates determined by the aforementioned parties.

i Routine Recovery of Funds

The board should request an explanation for the apparent surplus from the program director and allow 5 business days for a response. Whether or not the time period is honored, the board may take action.
